GROWING IN GOODNESS ANNOUNCES THIS YEARS THEM FOR THE NATIONS OF SERVICE DAY ON 9/9/09.

Growing In Goodness announces this year's theme for the Nations Of Service Day on 9/9/09. This years theme is **Making A Difference**.

This years goal is to have all participants recognize that it only takes one person to Make A Difference.

The focus is to get a large number involved in serving others but still recognize that it is every individual that matters. The focus reminds us that strength comes in numbers, but that it only takes one to change the world. It reminds us that to the world, you might be only one person, but to one person, you might be the world.

Growing In Goodness is teaming up with many groups, organizations, and individuals. To start or join a project in your area go to www.GrowingInGoodness.com and click on NATIONS OF SERVICE.

{Insert a paragraph about your the local service project here}

About Nations of Service:

###

Nations of Service is a worldwide mobilization of people who are committed to growing goodness in their local communities. It provides an opportunity to serve others while learning the importance of charity. It is one day out of 365 that we can unite as citizens of the world and give back. Nations of Service brings hope for better tomorrows and an invitation to all to make it so. As Growing In Goodness founder, Curtis Thomas, says "The best is yet to be because of what we are doing today".

About Growing In Goodness:

Growing In Goodness shares uplifting quotes, news, stories, and invitations to participate in projects that make each day a little better. Growing In Goodness is committed to growing the amount of goodness in today's world. For more information: www.GrowingInGoodness.com
